

MESSAGE FROM THE BOARD OF DIRECTORS

As we reflect on 2017 it has been an exciting and action packed year. We kicked off the year with the brand new building and maintained the momentum by providing quality private tuition to our learners featuring intensive academic support, social outreach and expansion of our facilities. Our very first matrics shone at their matric farewell and we concluded with the Awards Evening where top performers were acknowledged. We close the year on a high note with anticipation of excellent Grade 12 Results which will be available at the school on 5 January 2018.

We bid a warm farewell to our Principal Mr Abbott and Vice-Principal Mr. Van Niekerk who have played an important part in the development of the school. We wish them well and remain confident that the culture of dedication, hard work and excellence will endure at Glen Austin High.

We would like to reassure our parents, learners and stakeholders that Glen Austin High will continue to provide Quality Private Tuition under the leadership of our tried and trusted management team.

The Board of Directors, the Senior Group Manager, the new Vice Principal Mr Berthold Moyo, our excellent HODs and passionate Educators will lead Glen Austin High School to outstanding achievements in all spheres of school life in 2018 and beyond. We remain committed to bringing our very best for your child and ensuring that our service provision continues to maintain the quality standards that have become the hallmark of Glen Austin High School.

At the end of my time at Glen Austin I reflect upon the wonderful growth and development of the school from 2014 – 2017. I have no doubt that 2018 will be a successful school year for Glen Austin High School. You need to only walk through the school grounds to notice the tremendous efforts of the Board of Directors and their investment in the beautiful new buildings, the sportsgrounds, the improvement and extension of the school IT facilities over the past four years. The year 2017 has represented a great year for our school and we are expecting great results from all of our learners. I believe that the learners will go from strength to strength as they continue through their own seasons of life.

*Best Wishes
Alec Abbott*
