

NEWSLETTER 13TH APRIL 2023

Dear Parents

Welcome back to Term 2. We trust everyone had a good holiday and that the learners are refreshed and ready to excel in their studies for this quarter.

It gives us great pleasure to start this term with some new promotions in our ranks but additionally some sad news.

Mr. Moyo has followed a life dream and left us for a wonderful opportunity in London. He leaves us with this message:

◆ A WARM FAREWELL

At the end of my time in Glen Austin I reflect upon the wonderful growth and development of the school from 2014 – 2023. I have no doubt that 2023 will be a successful school year for Glen Austin High School.

You need to only walk through the school grounds to notice the tremendous efforts of the Board of Directors and their investment in the beautiful new buildings, the sportsgrounds, the improvement and extension of the school IT facilities over the past four years.

I believe that the learners will go from strength to strength as they continue through their own seasons of life.

Best Wishes

◆ Message from the CEO

As we reflect on the first three months of the year, it has been an exciting and action-packed year. We kicked off the year with a great intake of registrations and maintained the momentum by providing quality private tuition to our learners featuring intensive academic support, social outreach and expansion of our facilities.

The Awards ceremony showcased the top performing learners in each grade and academic scholarships were awarded for 2022 results.

We would like to reassure our parents, learners and stakeholders that Glen Austin High will continue to provide Quality Private Tuition under the leadership of our tried and trusted management team.

◆ Presenting the Glen Austin High School Management Team

◆ **Message from Acting Principal H. du Toit**

I am privileged and honored for the trust that was placed in me to take over the leadership of the school.

Here at Glen Austin High School, we will continue to pursue, maintain and strive to improve academic excellence for learners to reach their full potential.

In order for learners to achieve and excel in their school careers (including extra-curricular sport and clubs) and after school life, we will continue in our holistic approach. We will keep to our Vision and Mission of preparing learners for life through our emphasizing dedication to their studies, our promoting of good morals and values, and our encouraging of learners to be self-disciplined.

Learners will be motivated to give of their best, to achieve their optimal selves in both the classroom and all other areas of school life, that they can be proud of.

I am looking forward to steering this ship together with my team, having the best interests of the learners, and parents, at heart.

Sincerely

Mr. H. du Toit
Acting Principal
